Mykola Markhotskyi

FULL STACK DEVELOPER

SUMMARY

I'm a Full Stack Developer with hands-on experience in developing and maintaining web applications across various types of projects. I work confidently with both frontend and backend technologies, including HTML, CSS, React.js, Next.js, Node.js. I enjoy building responsive, user-friendly interfaces. I'm a quick learner, detail-oriented, and passionate about modern development tools and best practices.
